Age Breakdown

Each student must meet the minimum ages for the class. They can stay in a class *lower* than their age level, if preferred.

Minimum Age by Oct. 1st

Kinder - 2nd Grade: 5 yrs 3rd - 5th Grade: 8 yrs 6th -12th Grade: 11 yrs

BIBLE

Kimberly Barber has a passion for sharing a love of the Bible with families. She has a Master's Degree in Theology with an emphasis in Scripture. She will teach both Bible classes.

SCIENCE

Kristin Blanchard will teach science for our elementary kids. She'll be using *Catholic Schoolhouse* for hands on-experiments and activities.

Mandi Luna will teach science to our middle school and high school students. She will utilize Apologia's *Human Anatomy and Physiology* and *Health and Nutrition* for fun projects and activities.

PHYSICAL EDUCATION

Pam Ellis will lead our PE classes to give the kids a chance to enjoy exercise, organized games and some fresh air as long as the weather cooperates. If needed, based on the weather, we'll have indoor PE for the elementary school kids and board/party games for the middle school and high school kids.

PRE-K

Leah Frazier will return to lead our PreK class for the third year. As a former librarian, she always has energetic storytimes and fun activities to share.
